

**Remarks**

The foregoing amendments to the specification are being made in response to the Notice of Drawing Inconsistency with Specification, dated January 4, 2007 to correct typographical errors in references to the Figures in the specification.

On February 6, 2004, along with the application papers, Applicants filed a Submission of Formal Drawings containing a total of twenty-seven (27) sheets of formal drawings (Figures 1 to 18) and a Preliminary Amendment. With the Preliminary Amendment, Applicants amended the specification to update references to the Figures. However, Applicants inadvertently and incorrectly amended the specification to reference the numbers on the informal drawings. Applicant have herewith amended the specification to reference the appropriate Figures in the formal drawings.

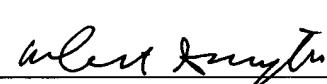

It is respectfully submitted that this amendment does not raise new issues and does not require any new search or substantial amount of additional work on the part of the Examiner. It is also respectfully submitted that no new matter is added by this amendment.

In view of the foregoing, Applicants respectfully request entry of this amendment. Should the Examiner feel that there are any issues outstanding after consideration of this amendment, the Examiner is requested to contact the Applicants' undersigned representative.

If there are any fees due in connection with the filing of this amendment, please charge the fees to our Deposit Account No. 50-310. If a fee is required for an extension of time under 37 C.F.R. 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.
